

Affordable Concepts, Inc. is a general contractor specializing in tenant improvements, site development and design-build projects in the healthcare, office, retail, industrial and education sectors. Most of Affordable Concept's work comes from repeat customers who are extremely pleased with their project, the professionalism and work ethic. The Affordable Concepts Team provides their clients with an extraordinary completed project!

Our goal is to be recognized as one of Southern Nevada's leading construction companies providing quality services by earning the respect of the community, the trust of our clients and the loyalty of our employees!

YOUR TENANT IMPROVEMENT EXPERTS

"We come in early. We stay late. We do whatever it takes to satisfy our customer."
